Dear Major McCarter:

On October 14<sup>th</sup> the Select Committee on Affordable Health Care for Floridians held their meeting at our facility. Trooper Armando A. Rodríguez was assigned to assist with security during the meeting. Trooper Rodríguez did an outstanding job. He displayed a professionalism that exemplifies the Florida Highway Patrols high standards.

He has a pleasant demeanor, which facilitated the security and made everyone feel comfortable and secure. I received numerous positive comments from management staff, my security staff and visitors on his dedication and professionalism.

Please extend our deepest appreciation to Trooper Rodríguez for an outstanding job and we look forward to any other meetings the state may wish to hold at our facility. He certainly made the meeting an enjoyable experience for all involved.

Best regards,

  
Roger L. Fritze  
Director of Security & Transportation

P. S. And please thank Captain S. Thomas for arranging to have Trooper Rodríguez assigned to this event.
